

Once again, our **Funtastic Olympics** are coming to Commerce Township!!! Every year, in conjunction with our Spring Session, all OG Members— Pre-School and Boys & Girls Recreational Classes- put on an incredible show for family and friends alike. Just like Olympians, our athletes learn class appropriate routines, train those routines, and finally present what they have worked so hard at perfecting, at our Funtastic Olympics. Upon the completion of their Olympic Style Presentation, each individual athlete will take a trip to the podium to receive his or her **GOLD MEDAL!!!**

As always, there will be a grand entrance...
The Olympic Anthem sounding, flags waving, fans cheering,
cameras flashing and excitement abounding!!!

Each individual athlete will be announced as an **Oakland Olympic Champion**, as they stand tall on the 1st place podium and receive their very own **Gold Medal!!!**

**Olympic Presentations take place the final week
of class - June 11-16, 2018.**

Complete details regarding individual performances were sent home with all participants and have been posted on the Olympic Bulletin Board in our main lobby.
